MEMORANDUM FOR THE RECORD

SUBJECT: Drug and Alcohol Abuse

1. On 13 November 1986, I spoke with Tony Ingrassia of the Office of Personnel Management (OPM), 632-5796, with regard to the above-captioned matter. He informed me that OPM is in the process of preparing guidance for agencies in compliance with the Executive order on this issue. He hopes to have the package completed by the end of the year, but this target date is quite tentative because the Departments of Health and Human Services and Justice are also involved in promulgating the regulations.

2. He also stated that OPM has not yet begun work on the regulations to be issued under the Anti-Drug Abuse Act. They are awaiting the finalizing of the Executive order regulations before they take on this task.
